

BME 598	Biomedical Seminar			
Catalog Data	Must be taken in two semesters, one credit hour per semester. The first hour must be taken during the student's first semester of study. The intent is to provide an introduction to biomedical engineering through a series of lectures from speakers, from academia, industry and government, regarding biomedical engineering. The second hour will be the traditional graduate seminar for the biomedical engineering program. Graded S/U or DEF only.			
Course Total Credit Hours:	2(1,1)	Lecture:	Laboratory:	Project
Prerequisites:	Graduate Standing and consent of instructor			
Course Coordinator:	Biomedical Engineering Faculty			
Textbooks				
References				
Goals	Familiarize the students with the latest advances in the Biomedical Engineering area			
Projects				
Major CAD Packages
