

SalukiNet

Recently, a new page for SalukiNet was unveiled. This is the first phase of the replacement of the current version. Eventually, this page will serve as a “single sign-on” point for students, faculty, and staff to enter their own customized web portal and access to other secure sites within SIUC such as webmail, Blackboard, degree progress, and Bursar account.

To Log On

Current Students:

www.siu.edu

Click “Access SalukiNet”

Go to center of page to “Currently Enrolled Students”

Click “old SalukiNet” system link

This will bring up the old log in version requiring your student ID and assigned PIN

New Students:

www.siu.edu

Click “Access SalukiNet”

Enter your assigned default Network ID

Enter your assigned default password

To Set Up a Network ID

www.infotech.siu.edu

Scroll down middle of page to “Quick Links”

Click on “Network ID Creation” and click on GO

This will take you to Service Request-Request a Network ID page

SIU Student/Staff # is your social security #

User PIN

Requested Network ID is what you want in your siu.edu email address that proceeds @siu.edu.

Check the box that you have read and agree to follow policies and click

“Yes, I agree” box

If you have problems getting this set up, contact the Information Technology department Help Desk 618-453-4381. They also have an online tech available during the day at their website.
