Scott Air Force Base, Illinois**

Scott Air Force Base 375th Airlift Wing

The primary mission of Scott AFB is global mobility. The base commands and controls all logistics of United States military in air, over land and across the sea. Team Scott sets policies and executes all air mobility operations. The installation is responsible for United States aero medical evacuation, operational support airlift in the C-21, air-refueling missions in the KC-135 and distinguished visitor airlift in the C9-C. Scott AFB also supplies forces to theater combatant commanders.

Scott Air Force Base is located about 20 miles east of St. Louis, MO near Belleville, IL. The Shiloh Gate entrance is 1.5 miles southeast of Interstate 64 (Exit 19A) at Route 158.

Directions to SIUC-IT at Scott AFB:

From Hwy 64:

Take Exit 19-A /Rt. 158 South (Scott AFB exit) to second stoplight (Seibert Rd.). Turn left on Seibert Rd. and proceed to the Shiloh gate entrance.

From Carlyle Avenue/Rt. 161:

Take Rt. 158 North to second stoplight (Seibert Rd.). Turn right onto Seibert Rd and proceed to the Shiloh gate entrance.

From the Shiloh gate: Proceed to the 2nd stoplight and turn right onto W. Birchard St. Proceed 2 blocks and turn left into the large parking area before Burger King. The Community Center is the long building next to Burger King. The street address is 404 W. Martin Street – Bldg. 1650.

Enter through double doors with orange sign ‘Education Center.’

Inside the building, proceed straight— turn right into the long main hall— then right again into the college hall to Room 82.

Ride the MetroLink:

Park free at any MetroLink station in Illinois and ride the train to the Shiloh-Scott MetroLink station.

To obtain a temporary visitors pass:

At the Shiloh gate entrance to the base, turn left into the parking area for the Visitor Control Center (VCC). Inside the VCC, go to the computer and sign in, indicating that you need a short-term visitor pass. Then take a seat and your name will be called. (Service members have priority, so there may be a bit of a wait.)

When called to the front desk, state that you have an appointment with SIUC-IT at the Education Center. If necessary, give them the office phone number – 744-1433. Have your driver's license ready to present to the VCC personnel. They will then issue you a temporary ID. While *it is no longer necessary to obtain a vehicle pass*, be sure to carry your vehicle registration, and proof of insurance in your vehicle the event of a random check.

Provide the issued ID to the gate guard as you drive onto the base. **Watch for posted speed limits!** Speed limits are 30 mph in most areas, 20 mph in some areas, and 10 mph in parking lots. Hand-held cell phone use is prohibited while operating a motor vehicle — penalty is a ticket and \$100 fine.

Please check for special restrictions if operating a motorcycle on base.
