

COLLEGE OF ENGINEERING-SIUC

CONTINUING STUDENTS SCHOLARSHIPS

The following scholarships described below under "*Scholarship Details*" are available to **undergraduate, continuing engineering students only**. The Student Affairs Committee of the College of Engineering reviews all applications and makes recommendations to the Associate Dean for final approval. Please review the description of each scholarship and apply only to those you are qualified. All of these scholarships are competitive and are offered on a funds-available basis. Deadline for all scholarships listed below is **February 1**.

SCHOLARSHIP DETAILS

Aisin Scholarship

The purpose of this fund is to provide a scholarship for an Industrial Technology or Mechanical Engineering major and willing to do an internship at AISIN. Overall GPA, professional goals, interest in a career in auto parts manufacturing, financial need, and desire to live and work in southern Illinois considered in selection.

Boeing Company Scholarship

The purpose of this fund is to provide a scholarship to sophomore or higher women in Electrical or Computer Engineering with at least 3.25 GPA. Interest in an aerospace career, academic performance, professional goals, and financial need considered in selection.

Caterpillar Excellence Scholarship

The purpose of this fund is to provide a scholarship to sophomore or higher Mechanical Engineering, Computer Engineering, or Electrical Engineering majors interested in careers in heavy equipment, must be willing to do internship at Caterpillar, two scholarships must be for women, GPA of at least 2.80.

Clark Dietz Scholarship

The purpose of this fund is to provide one scholarship per year for a junior or senior student of African American or Hispanic descent who is enrolled in civil (transportation, environmental, structural), mechanical, or electrical engineering. The amount of the scholarship is typically \$2,500 per academic year, but may vary each year depending upon funds available and includes part time employment opportunities for the selected student during the school year and the summer.

Dean's Scholarship

The purpose of this fund is to provide a scholarship for a student enrolled in the College of Engineering. The award is made to a full-time student majoring in one of the undergraduate degree programs offered by the College of Engineering. The award is typically \$1,000, but will vary depending upon the earnings of the endowment. The selection committee will consider academic achievements, extra-curricular activities, work experience, financial need, and professional goals.

Donald and Verl Free Scholarship

The purpose of this fund is to provide a scholarship to an undergraduate student majoring in Mechanical Engineering. The committee considerations include overall academic grade point average, interest in Mechanical Engineering and aeronautics, and other academic achievements. The amount of the award is typically \$1,000, but will vary each year depending upon the earnings of the endowment.

Highway District #9 Scholarship

The purpose of this fund is to provide scholarships for tuition, fees, and books to undergraduate students majoring in Engineering. Recipients must be a sophomore, junior, or senior and a native of Highway District #9 (Alexander, Gallatin, Franklin, Hardin, Jackson, Johnson, Massac, Perry, Pope, Pulaski, Saline, Union, or Williamson). The committee considerations include overall academic grade point average, financial need, and effort toward providing for own education. Preference will be given to veterans or to sons or daughters of veterans. The amount of the award is typically \$1,300, but will vary each year depending upon the earnings of the endowment.

Omron's Electronics Inc. Scholarship

The purpose of this fund is to provide annual scholarships for juniors and seniors majoring in Electrical Engineering. The awards are made to full-time junior and senior students. The amount of the award will vary each year depending upon the amount of funds available but is expected to be \$1,300 per year. The selection committee will consider financial need, grade point average, and other academic achievements.

Roffmann Engineering Scholarship

This scholarship is for a student majoring in one of the engineering programs. The selection committee will consider academic achievements, extra-curricular activities, work experience, financial need, and professional goals. The scholarship is typically \$1,000, but may vary depending upon the earnings of the endowment.

Southern Illinois Power Co-Operative Scholarship

The purpose of this fund is to provide a scholarship to an undergraduate Illinois native student majoring in Electrical Engineering. Southern Illinois Co-Operative is composed of the Egyptian Electric Cooperative (Steeleville), Southern Illinois Cooperative (Dongola), and Southeastern Illinois Electric Cooperative (Eldorado). The committee considerations include overall academic grade point average, financial need, and professional goals. Preference will be given to a student from a family who is a member of the cooperative and lives south of Highway I-64. The amount of the award is typically \$1,200, but will vary each year depending upon the earnings of the endowment.

SIUC Tuition Award

The purpose of the tuition award is to provide financial assistance to students who have attained a high level of academic achievement. The awards are made only to students who are classified as full-time students majoring in one of the undergraduate degree programs offered in the College of Engineering. The amount of the award is typically \$1,200, but will vary each year depending upon the funds available. The committee considerations include overall academic grade point average, total hours completed, total hours at SIUC, residency, and an assessment of financial need, and other academic achievements.

COLLEGE OF ENGINEERING -SIUC

CONTINUING STUDENTS SCHOLARSHIP APPLICATION

After carefully reading the description of the various scholarships available through the College of Engineering, please mark the scholarship(s) that you would like to apply. Deadline for all the scholarships listed below is February 1.

- Aisin Scholarship
Boeing Scholarship
Caterpillar Scholarship
Clark Dietz Scholarship
Dean's Scholarship
Donald and Verl Free Scholarship
Highway District #9 Scholarship
Omron Electronics Inc. Scholarship
Roffmann Engineering Scholarship
Southern Illinois Power Co-Operative Scholarship
SIUC Tuition Award

Name
Social Security Number and Dawg Tag#

I. SPECIFIC INFORMATION

1. If you are applying for the Highway District #9 Scholarship, please complete the following:

Are you a veteran of the United States Armed Services?
Yes No

If yes, indicate Branch Date of Service

Type of Discharge Highest Rank Achieved

Is either of your parents a veteran of the United States Armed Services?
Yes No

If yes, indicate Branch Date of Service

Type of Discharge Highest Rank Achieved

2. If you are applying for the Southern Illinois Power Co-Operative Scholarship, please complete the following:

What is the address of your parents?

Are your parents members of the Southern Illinois Power Co-Operative?
Yes No

3. If you are applying for the **SIUC Tuition Award**, check the box for the semester(s) for which you are seeking an award.
- Fall & Spring Fall (Only)

II. GENERAL INFORMATION

LOCAL ADDRESS: _____

Daytime Phone Number: _____ E-mail Address: _____

PERMANENT ADDRESS _____

Daytime Phone Number: _____

Date of Birth: _____

Marital Status: Single Married Other

Spouse's Name: _____ Number of Dependents: _____

III. EDUCATIONAL INFORMATION

Are you a: High School Graduate _____
 Community College Graduate _____
 SIU Continuing _____
 College Graduate _____
 Other _____

If you are a high school graduate, what was your class rank? _____

Name of high school from which you graduated: _____

If you are a community college graduate, what was your transfer average? _____

Name of community college from which you graduated: _____

What type of degree did you receive? _____

Indicate the major in the College of Engineering in which you are enrolled.

What is your GPA at SIUC? _____.

Please check the appropriate classification that will apply to you next fall when the award will be given:

Freshman _____ Sophomore _____ Junior _____ Senior _____

What are your career plans after you graduate?

III. FINANCIAL AID INFORMATION

List as accurately as possible all the financial support, scholarships, loans, and employment earnings that you will receive during the period of the award. Name the source of the funds, the dollar amount, and the period of time (example: Pell Grant, SEOG, NDSL, ROTC, ISSC, campus employment, etc.):

<u>Name of Award or Aid</u>	<u>Dollar Amount</u>	<u>Time Period</u>
<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>

IV. OTHER PERTINENT INFORMATION:

State below any other information that you feel would be helpful to a committee member in reviewing your application (such as exceptional financial needs, special meritorious service, etc.):

The information contained herein is, to the best of my knowledge, true and accurate.

Signature of Applicant _____ Date _____

Return completed application to:

John Nicklow, Associate Dean
Office of the Dean
College of Engineering
Southern Illinois University at Carbondale
Carbondale, Illinois 62901-6603
